**GENETIC COUNSELING**  In the case of a positive result, patient **does not** require genetic counseling by a board-certified genetic counselor at Color.

**PATIENT RESULTS** Color will automatically release results to your patient after 10 days. If you would like your patient to view their results earlier, you can manually release the results.

**VUS DETAILS** *In the event a Variant of Uncertain Significance (VUS) is identified for the cancer or heart genes, you and your patient will receive the technical details in the report. Place your order online with the Color Provider Platform to change this order setting.*

**INFORMED CONSENT**  I attest that the patient has read the Color Informed Consent or had it read to him or her, and that I have fully informed the patient about the purpose, capabilities and limitations of the indicated Color genetic test. If the selected genetic test includes an analysis of medication response genes, I understand that genetics is only one of the factors influencing medication effectiveness, and I have advised the patient to consult with a provider before stopping or making any other medication changes. The patient has voluntarily given full consent for the indicated Color genetic test, and a signed copy of this consent is available on file. Any Color Informed Consent that the patient agrees to at a later date will supersede and replace this Informed Consent.
